

Contact Center Virtual Demo Bar

Every Wednesday

11am PT / 2pm ET

Learn how integrating a contact center into a CRM can help deliver a faster response for your customers.

You are invited to attend the 8x8 Contact Center Virtual Demo Bar for 8x8 Partners, hosted by an 8x8 product specialist. These 45-minute webinars are conducted every Wednesday.

What we will cover:

- Customer experience
- Agent experience and interface
- Supervisor console
- Administration and configuration
- Reporting and analytics
